

About Us

What started off as a simple booth at the Farmers Market has grown into a local produce shop open all week long. We are excited about this great new opportunity to provide you with fresh local fruits and vegetables all grown in Indiana. We also carry other local farm products, meats, poultry, eggs, flowers, plants and handmade items, all grown or produced less than 100 miles from where they are sold.

Double Oak Farm is comprised of three families working in partnership. The Moses family is from Bartholomew County and the Healy families are from Daviess County. Twelve Amish families grow produce for us and we carry products from other local farmers including Brothers Beef, Stuckwisch Family Farms, Shady Lane Poultry Farm, Local Folks Food, Hunter Honey Farm and more.

It is our goal to bring you the largest selection of high quality, farm direct products all produced or grown in Indiana.

Double Oak Farm: Bringing Fresh local produce to the heart of Columbus.

What Is A CSA?

A CSA or "Vegetable Box" subscription is a great way to enjoy fresh local produce all summer long. Each week your prepaid box will contain the best and freshest products we have to offer along with a newsletter full of recipes and information. For the price of one fast food meal per week you can have a box of fresh, healthy fruits and vegetables every week from the beginning of June through the end of September.

By prepaying for your produce you are making an investment in local agriculture. You are supporting responsible farming methods by helping to pay for growing costs upfront. You are buying a "share" in local family farms. In exchange you will receive fresh, ripe, safe and nutritious local produce.

CSA members enjoy foods grown according to the season of the year. Members receive a share of the bounty of the harvest, but also assume the risk of the growing season. They enjoy a direct relationship with the farmer who supplies their food.

CSA Agreement

- For the 2010 season shares will be available first to those who are members of our 2009 CSA, second to those on our waiting list and third on a first come first served basis.
- A non-refundable deposit is required with the remaining balance to be paid in full by April 1, 2010.
- Each week full shares will contain at least 6-8 different fruits, vegetables or herbs in quantities to feed a family of three or four people. Half shares will have enough for one or two people. No substitutions may be made.
- Pick up days are Wednesday during store hours from the first week of June through the end of September. Additional pick up times may be announced.
- Members agree to pay fees in a timely manner, pick up boxes on time or make other arrangements and share seasonal weather risks with the growers.
- Fees paid cover the cost of the produce plus labor and overhead for packing the boxes.
- Options to add pre-ordered beef, poultry, dairy and bread may be available.
